PAWANG PAMBUBUDOL'

Ito ang tawag ni Sen. Imee Marcos sa pahayag ni Pres. Bongbong Marcos sa kaniyang State of the Nation Address (SONA) na malapit nang kasuhan ang pinsan nilang si dating House speaker Martin Romualdez.

Paliwanag ng senadora, kung gaano umano kabilis maghain ng kaso laban sa ilang senador na tumututol sa administrasyon ay siyang "kupad" ng hustisya at magrekomenda ng hatol sa mga kaalyado ng administrasyon.

"Hindi mag-isa si Martin Romualdez sa malawakang korupsiyon ng pera at kapangyarihan... Ibig bang sabihin, pinatakbo niyang mag-isa ang gobyernong ito?" tanong ng Sen. Imee.

GROUP PHOTO NG SENATE MINORITY BLOC

Ibinahagi ni Sen. Robin Padilla ang group photo
ng Minority senators sa pagbubukas ng
ikalawang regular session ng 20th Congress
ngayong Lunes, July 27.

Sa naturang litrato, makikita ang “reserved for”
signs para kina Sen. Bato dela Rosa, Sen.
Jinggoy Estrada, at Sen. Rodante Marcoleta.

Kasalukuyang nakakulong sina Estrada at
Marcoleta. Hindi naman matukoy kung nasaan
ang patuloy na pinaghahanap na si dela Rosa.

May panawagan ang mga netizens ngayon sa racist joke na banat ni Vice Ganda at pagbuga ng tubig sa mukha ng isang Baby Dolls Dancer nila sa It's Showtime segment kung saan sa isang role play ay bumanat siya ng joke kay Baby Dolls Johaira at biro niya na bakit umano 'nagkaputik' ito ng matapunan niya ito ng tubig sa mukha. Giit ng iba na hindi dapat ito ginagawang katatawanan at dapat lang na ma-call out.

PADAYON ANG BULIG SA ATON REPATRIATED OFWs

Sa pagsulod ko sa opisina, akon nalabayan kag ginkamusta ang aton mga kasimanwa nga OFWs nga ginrepatriate bangud sang nagapadayon nga tensyon sa Middle East. Biskan malaw-ay ang panahon, nagbiyahe sila halin sa nagkalain-lain nga bahin sang probinsiya agod magbaton sang tig-₱10,000 nga financial assistance pinaagi sa Financial Assistance to Repatriated Ilonggo OFWs (FAR-OFWs) Program sang Iloilo Provincial Government.

Kabug-osan nga 66 ka repatriated OFWs ang nagbaton sang bulig nga ginpondohan sang Public Employment Service Office (PESO), suno sa Provincial Ordinance No. 2020-245, bilang kabahin sang padayon nga suporta sang administrasyon ni Governor Toto Defensor sa aton mga repatriated OFWs.

Bangud aga pa naghalin ang iban sa ila mga panimalay, naghatag man ang aton opisina sang kape, tubig, kag biskwit samtang nagahulat sila. Gamay man lang ini nga paagi, apang kabay pa nga napabatyag naton sa ila nga sa ila pagpauli, may gobyerno nga nagaatipan kag nagasupo

MAY KA-UGOT UKON TRIPPING LANG?

Makatulublag nga mga simbolo, kandila, dugo, kasudlan sang manok kag stuffed toy nga kasubong nga kabahin sang isa ka ritwal kag mga ngalan sang pila ka mga estudyante nakita sa mga pader, pwertahan kag salog kaina sang aga sa isa ka building sa Guimbal National High School.

Isa sa mga may kahimuan sini nga nag-ako sa kapulisan, isa man ka estudyante sang buluthuan.

Padayon pa nga ginahibalo sang kapulisan ang rason sang estudyante nga natumod isa sa mga may kahimuan sini.

‘WALA NAMAN SIYANG NAPAKULONG’

Tinawag na PR stunt ni Vice President Sara Duterte ang pahayag ni Pangulong Ferdinand Marcos Jr. na “Mahiya naman kayo” noong State of the Nation Address noong nakaraang taon.

Nitong Lunes, inanunsyo ni Marcos sa **#SONA2026** ang paghahain ng patong-patong na kaso laban sa kanyang pinsan at dating House Speaker Martin Romualdez, kasabay ng pagsasabing hindi siya pangulo ng kanyang pamilya o kaibigan.

'ANG HINIHINGI NILA AY KATOTOHANAN, PANANAGUTAN, AT HUSTISYA.'

Davao City First District Representative Paolo Duterte on Monday said President Ferdinand Marcos, Jr. failed to address long-standing issues and allegations of corruption in his fifth State of the Nation Address (SONA) on Monday, July 27, 2026.

Duterte said if Marcos truly wants to be seen as the "President of the Philippines," he should demonstrate the political will to hold accountable those behind allegations of corruption, regardless of their family name, position, or influence, rather than what he described as merely expressing sympathy over a relative's ordeal.

Kung tunay na "Pangulo ng Pilipinas" ang nais niyang ipakita, hindi sapat ang pagpapakita ng kalungkutan sa sinapit ng isang kamag-anak. Mas mahalagang ipakita ang tapang na panagutin ang sinumang nasa likod ng mga alegasyon ng katiwalian, anuman ang kanilang apelyido, posisyon, o impluwensiya.

Hindi simpatiya para sa mga makapangyarihan ang hinihingi ng taumbayan. Ang hinihingi nila ay katotohanan, pananagutan, at hustisya.

REP. PAOLO DUTERTE

MULTIPLE FIRSTS SA SONA 2016

#TVPatrolThrowback: Mula sa kasuotan hanggang sa pananalita, maraming hindi sinunod sa tradisyon si dating Pangulong Rodrigo Duterte sa una niyang State of the Nation Address noong 2016. Dito muling iginiit niya ang kampanya ng kanyang administrasyon laban sa ilegal na droga at kriminalidad.

Panoorin ang ilang ulat sa TV Patrol sa SONA noong July 25, 2016.

I just recorded Hollywood On Set Episode 1179 on HBO via FPT Play Feed in Vietnam, and it failed again. It's the same as the previous two times I recorded: the subtitles were missing and my FPT internet connection was laggy.

Therefore, I will only be re-recording the fixed version from Cinemax. I've already recorded the HBO version twice (MyTV & FPT Play), so I won't be re-recording the fixed version. Thank you for your understanding.

'KAILANMAN AY HINDI KO BINASTOS O BINALAHURA ANG PAGKATAO NI PANGULONG MARCOS, JR.'

Ibinahagi ni Sen. Robin Padilla ang lumang larawan kasama ang personal niya raw na kaibigang si Pres. Bongbong Marcos.

Sa kanyang social media post, muli ring ipinaliwanag ni Padilla kung bakit hindi siya dumalo sa ikalimang State of the Nation Address (SONA) ni Pres. Marcos nitong Lunes, July 27.

"Iniwasan ko na muling makakuha ng pansin o 'umagaw ng eksena' tulad noong nakaraang 2024 SONA, kung saan may mga pagkakataong habang nagpapalakpakan at nagpapakita ng pagpupugay ang mga tao ay nanatili lamang akong nakaupo at walang reaksiyon," saad ni Padilla.

Christopher Nolan doesn't just build movies; he builds worlds. 🎬 ⚓

For The Odyssey, the acclaimed filmmaker once again leaned into practical effects, using massive real-world builds instead of relying heavily on CGI. It's that commitment to authenticity that gives his films their unmistakable scale and immersive feel.

Do you prefer practical effects over CGI?

FOR IMMEDIATE RELEASE
28 July 2026

MTRCB summons 'It's Showtime' amid complaints over 24 July 2026 episode

THE Movie and Television Review and Classification Board (MTRCB) has summoned the producers of "It's Showtime" following multiple complaints that its 24 July 2026 episode allegedly contained inappropriate scenes and racially insensitive and colorist remarks.

In a two-page notice to appear, the Agency said it received numerous complaints about the episode from concerned citizens regarding the actions of TV host and comedian Vice Ganda.

The notice, signed by MTRCB Chair and CEO Lala Sotto by authority of the MTRCB Board, directed respondents GMA Network Inc. and ABS-CBN Corporation, through their duly authorized representatives and/or counsel, to appear before the MTRCB Hearing and Adjudication Committee at the MTRCB Building on 29 July 2026, Wednesday, at 10:30 a.m. for a hearing on the said complaints.

Based on countless letter complaints received and a report from the Agency's Monitoring and Inspection Unit (MIU), the incident in question was a "Memerimar" skit in the noontime TV show's "Laro Laro Pick" segment.

Concerned citizens called out Vice Ganda's alleged racist, colorist remarks and a "lugaw" scene featuring Vice Ganda and Ion Perez.

Before the end of the 25 July 2026 episode of "It's Showtime," Vice Ganda issued a public apology for the jokes they made the previous day.

In its notice to appear, the MTRCB said these allegations raised concerns as to whether "It's Showtime" complied with Section 3(c) of Presidential Decree No. 1986 that prohibits the exhibition of TV programs that are contrary to law, good customs, public order, public morals, or are otherwise objectionable.

The representatives of the "It's Showtime" producers should submit, on or before the scheduled hearing, an original copy of the proof of authority to represent the respondents.

The MTRCB said the respondents' failure to appear shall be considered a waiver of their right to present evidence and the matter shall be resolved based on records available to the Board.

Just In: Sass Sasot apologizes to NBI Director Melvin Matibag over false U.S. property ownership allegations.

I know Sass made that intentional. The damage has been done. I hope NBI Director Melvin Matibag will pursue filing a case against Sasot upang magtanda.

Sass Rogando Sasot

16m •

CORRECTION

This is to correct my July 22, 2026 post regarding NBI Director Melvin Matibag and Congresswoman Ann Marie Matibag.

That post was about the 26023 Baldwin Place in California that is listed at [homes.com](#), a major U.S. online residential real estate marketplace owned by CoStar Group. [Homes.com](#) listed it as owned by a couple named "Melvin Matibag and Anna Marie Matibag."

Upon crossverifying with other public records in the United States, these two people are not NBI Director Melvin Matibag and Congresswoman Anna Marie Matibag.

The Melvin Matibag and Anna Marie Matibag owners of 26023 Baldwin Place in California just happened to be coincidentally named after the the NBI Director and the Congressman. The Melvin Matibag owner of 26023 Baldwin Place in California is Melvin Benjoso Matibag (while the NBI Director is Melvin Alvarez Matibag); while the Anna Marie Matibag owner is Anna Marie Laman Matibag (while the Congresswoman is Ann Lourdes Garcia Matibag).

I apologize to NBI Director Melvin Matibag and Congresswoman Anna Marie Laman Matibag for this error. The original post has already been retracted.

Ayon sa astronomical calculations na ginagamit sa pag-aaral ng mga sinaunang eclipse, isang partial lunar eclipse ang naganap noong Biyernes, April 3, 33 AD—isang petsang matagal nang itinuturing ng ilang iskolar bilang isa sa mga posibleng petsa ng pagpapako kay Jesus sa krus.

Ang lunar eclipse ay maaaring magbigay sa Buwan ng mapulang kulay, dahilan upang tawagin itong "blood moon." Ayon sa mga pag-aaral, ang eclipse na ito ay maaaring nakita mula sa Jerusalem makalipas ang paglubog ng araw.

Kapansin-pansin din ang koneksyon nito sa mga talata sa Bagong Tipan. Sa panahon ng pagpapako kay Jesus, isinalaysay sa Mateo 27:45, Marcos 15:33, at Lucas 23:44–45 na nagkaroon ng kadiliman sa buong lupain mula tanghali hanggang alas-tres ng hapon.

Samantala, sa Gawa 2:20, binanggit ni Pedro ang propesiya ni Joel tungkol sa araw na magiging kadiliman at ang buwan ay magiging dugo.

Para sa mga naniniwala, ang pagkakatugma ng kasaysayan, astronomiya, at Banal na Kasulatan ay isang kahanga-hangang bagay na nagbibigay

magiging kadiliman at ang buwan ay magiging dugo.

Para sa mga naniniwala, ang pagkakatugma ng kasaysayan, astronomiya, at Banal na Kasulatan ay isang kahanga-hangang bagay na nagbibigay ng mas malalim na pananaw sa mga pangyayaring nakaugnay sa buhay at kamatayan ni Jesus.

Ngayong taon, ang Good Friday ay muling tumapat sa April 3.

RAMON MAGSAYSAY FOUNDATION, KA DODOY EXPLORE ILOILO PARTNERSHIP

Protecting our coastlines and empowering our coastal communities remain among our shared priorities. With this commitment, we warmly welcomed our guests from the Ramon Magsaysay Award Foundation (RMAF) for an exploratory discussion on the Mangrove FIESTA Program under the Magsaysay Laureates Community Initiative (MLCI). We hope to foster meaningful partnerships that will strengthen community-led coastal resource management and create lasting benefits for the Province of Iloilo.

I was also privileged to meet 2021 Ramon Magsaysay Awardee Mr. Roberto “Ka Dodoy” Ballon, Chairperson of the Kapunungan sa Gagmay’ng Mangingisa sa Concepcion (KGMC). His lifelong dedication to mentoring young coastal stewards and advancing community-based coastal resource management has inspired coastal communities across the country and brought a powerful spark to the shores of Brgy. Tinigban, Carles.

We were also joined by BFAR Region VI Chief of the Fisheries Management and Regulatory Division, Mr. Erwin Ilaya, and Mr. Florante Dela Torre Jr. of BFAR Iloilo.

shores of Brgy. Tinigban, Carles.

We were also joined by BFAR Region VI Chief of the Fisheries Management and Regulatory Division, Mr. Erwin Ilaya, and Mr. Florante Dela Torre Jr. of BFAR Iloilo.

My heartfelt thanks to my colleagues in the Iloilo Provincial Government, especially PGDH-PGENRO Atty. Cesar Emmanuel Buyco Jr., Ma'am Mitzi Peñaflorida, and Aquaculturist Excalibur Seterra, for joining me in extending a warm welcome to our partners for progress.

On behalf of the 15th Sangguniang Panlalawigan, I reaffirm my full support for initiatives that protect our precious coastlines, strengthen community-based environmental stewardship, and empower our fisherfolk communities. Together, we can build a more resilient and sustainable future for Iloilo. 🌊💙

ANG HINIHINGI NILA AY KATOTOHANAN, PANANAGUTAN, AT HUSTISYA.'

Davao City First District Representative Paolo Duterte on Monday said President Ferdinand Marcos, Jr. failed to address long-standing issues and allegations of corruption in his fifth State of the Nation Address (SONA) on Monday, July 27, 2026.

Duterte said if Marcos truly wants to be seen as the "President of the Philippines," he should demonstrate the political will to hold accountable those behind allegations of corruption, regardless of their family name, position, or influence, rather than what he described as merely expressing sympathy over a relative's ordeal.

MTRCB, IPINAPATAWAG ANG 'IT'S SHOWTIME' PRODUCERS... See more

PARA SA AGARANG PAGLATHALA
Ika-28 ng Hulyo 2026

MTRCB, ipinatawag ang 'It's Showtime' sa gitna ng mga reklamo tungkol sa 24 Hulyo 2026 episode nito

IPINATAWAG ng Movie and Television Review and Classification Board (MTRCB) ang mga producer ng "It's Showtime" sa gitna ng mga reklamo ukol sa 24 Hulyo 2026 na episode ng noontime show na may diumanong inappropriate na eksena at racially insensitive at colorist na komento.

Ayon sa notice to appear, nakatanggap ang Ahensiya ng maraming ulat at reklamo mula sa mga concerned citizen tungkol sa episode at sa mga kilos at salita ng TV host at comedian na si Vice Ganda.

Inutusan ng MTRCB ang GMA Network Inc. at ABS-CBN Corporation bilang respondents na dumalo sa isang hearing ng MTRCB Hearing and Adjudication Committee. Ang hearing ay gaganapin sa 29 Hulyo 2026, Miyerkules, 10:30 a.m.

Maaaring magpadala ng kinatawan o abogado ang mga respondent sa hearing. Bago o sa takdang araw ng hearing, dapat silang magpakita ng proof of authority na sila ang inatasang kinatawan ng mga respondent.

Ayon sa mga natanggap na ulat at reklamo at sa isang ulat ng Monitoring and Inspection Unit (MIU) ng Ahensiya, ang tinutukoy na insidente ay ang "Memerimar" skit sa "Laro Laro Pick" segment ng nasabing noontime show.

Inireklamo ng mga concerned citizen ang diumano'y racist at colorist na pahayag ni Vice Ganda at ang "lugaw" scene nina Vice Ganda at Ion Perez.

Bago matapos ang 25 Hulyo 2026 episode ng "It's Showtime," humingi ng tawad si Vice Ganda para sa mga biro na kanilang sinabi sa nakaraang episode.

Sabi ng MTRCB, nais malaman ng Ahensiya kung ang "It's Showtime" ay tumupad sa provisions ng Section 3(c) ng Presidential Decree No. 1986 na ipinagbabawal ang pagpapalabas ng TV programs na "contrary to law, good customs, public order, public morals, or are otherwise objectionable."

Dagdag ng MTRCB, itutuing nilang waiver ng karapatan na maghain ng ebidensiya kung hindi dadalo ang mga respondents at iiresolba ng Ahensiya ang isyu base sa mga records na kanilang hawak.

Why Is Mary Barefoot in So Many Catholic Images?

WHY IS MARY BAREFOOT IN SO MANY CATHOLIC IMAGES?

A little boy was looking at a statue of the Blessed Virgin Mary after Mass.

After a few moments, he asked his grandmother:
"Grandma, why doesn't Mary wear shoes?"

His grandmother smiled and replied:
"Because artists are trying to teach us something much deeper than fashion."

If you've looked closely at many Catholic statues and paintings, you may have noticed that Mary is often depicted barefoot.

But why?

Did Mary really go barefoot during her lifetime?

Or is there another reason?

The answer lies more in Christian symbolism than in historical certainty.

First, The Bible Never Says Mary Was Barefoot. The Scriptures never tell us whether Mary wore sandals or walked barefoot.

Or is there another reason?

The answer lies more in Christian symbolism than in historical certainty.

First, The Bible Never Says Mary Was Barefoot. The Scriptures never tell us whether Mary wore sandals or walked barefoot. As a Jewish woman living in first-century Nazareth, she most likely wore simple sandals like most people of her time. So the Church does not teach that Mary always went barefoot.

Second, Bare Feet Symbolize Humility. Artists often portray Mary barefoot to emphasize her humility. Although she was chosen to become the Mother of God, Mary remained a simple servant of the Lord. Her bare feet remind us that she never sought earthly glory or riches.

Third, It Represents Holiness Before God. In the Bible, Moses was told: "Remove the sandals from your feet, for the place where you stand is holy ground." (Exodus 3:5) Because Mary carried Jesus, the Holy One, in her womb, artists sometimes portray her barefoot to symbolize her closeness to God's holiness.

3:5)

Because Mary carried Jesus, the Holy One, in her womb, artists sometimes portray her barefoot to symbolize her closeness to God's holiness.

Fourth, It Expresses Simplicity and Total Trust in God. Mary lived a simple life. She trusted God completely and accepted His will without seeking worldly honour. Her bare feet in sacred art remind us that holiness is found in humility, obedience, and trust.

Fifth, Not Every Image of Mary Shows Her Barefoot. If you look at Catholic art from different cultures and periods, you will notice that some images show Mary wearing sandals or shoes. Whether she is barefoot or not depends on the artist and the spiritual message being expressed. It is not a doctrine or requirement of the Catholic Church.

Finally, Mary is often portrayed barefoot because Christian artists use this image to symbolize her humility, simplicity, holiness, and complete trust in God. The Bible never tells us whether Mary actually went barefoot, and the Church has never taught that she did. It is a beautiful artistic tradition that reflects the virtues Mary lived.

Finally, Mary is often portrayed barefoot because Christian artists use this image to symbolize her humility, simplicity, holiness, and complete trust in God. The Bible never tells us whether Mary actually went barefoot, and the Church has never taught that she did. It is a beautiful artistic tradition that points us to the virtues Mary lived.

In simple words, why is Mary barefoot in many Catholic images?
Not because the Church says she never wore shoes.
Rather, artists use bare feet to remind us of Mary's humility, holiness, and total surrender to God.
The image teaches a spiritual lesson, not a historical fact.

Now you know.

SOURCES

Sacred Scripture (Catholic Translation):
Exodus 3:5, Luke 1:38, Luke 1:46-49

Catechism of the Catholic Church §§487-511, 963-975

Note: The symbolism of Mary being barefoot comes from Christian artistic tradition rather than an official doctrine of the Catholic Church.

Not having that steady paycheck can make retirees nervous about spending the money they've squirreled away, especially given that Social Security will replace only 40% of pre-retirement income on average.

Pinutol-putol o spliced ang video ng paliwanag ni Akbayan Rep. Chel Diokno tungkol sa dahilan ng prospekusyon sa pag-subpoena ng bank at tax records sa impeachment trial ni Vice President Sara Duterte, at dahil dito naiba ang ibig niyang sabihin. Taliwas sa ipinalalabas sa video, nilinaw ni Diokno na ang kanyang pahayag ay hindi pag-amin na nagsasagawa ng “fishing expedition” ang prospekusyon.

KA LEODY, MAY PATUTSADA KAY SEN. ROBIN

Naglabas ng matapang na pahayag si labor rights activist Ka Leody De Guzman kaugnay ng mga naging pahayag ni Sen. Robin Padilla sa impeachment trial ni Vice President Sara Duterte.

Sa kanyang post, sinabi ni Ka Leody:

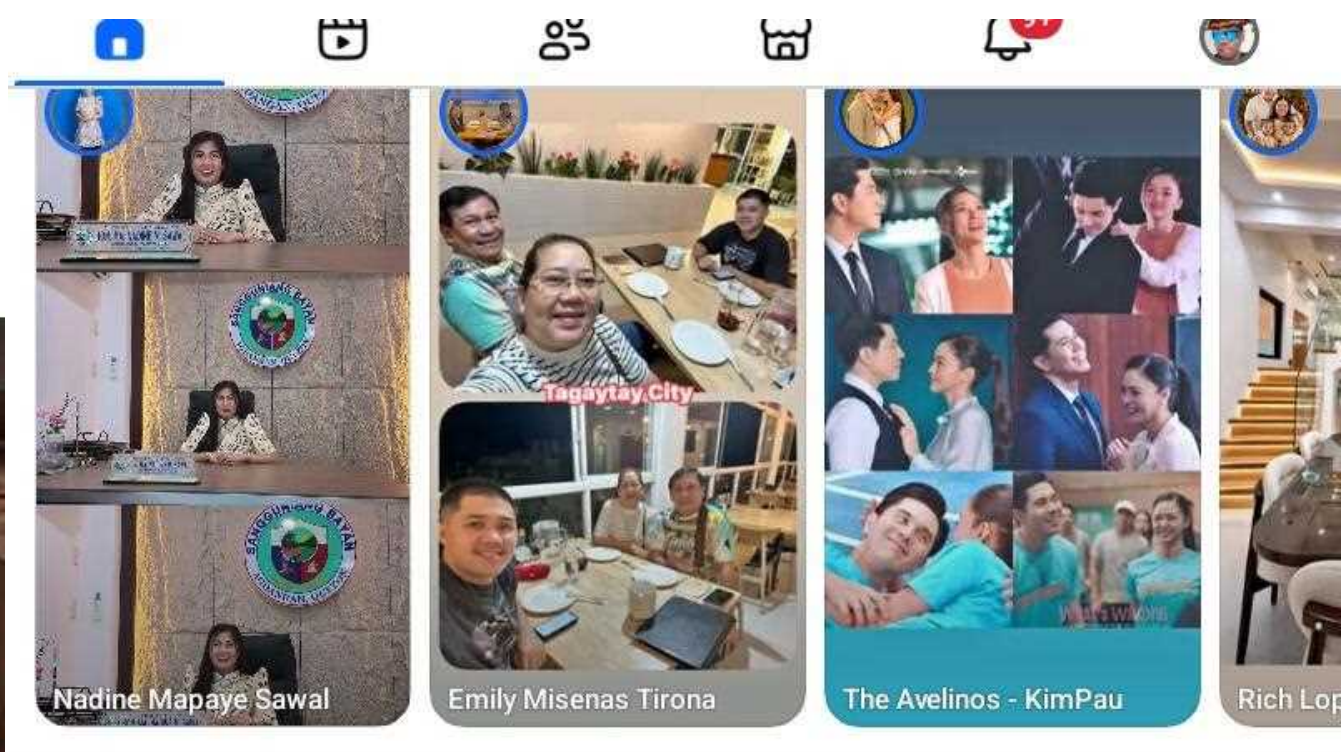

"Sabi nga nila. Always be a better version of yourself. Kung tanga ka kahapon. Mas tangahan mo pa ngayon."

Ang naturang pahayag ay inilabas matapos maging sentro ng diskusyon si Sen. Robin dahil sa kanyang mga naging komento bilang senator-judge, kabilang ang isyu ng kanyang pahayag na sana ay hindi "one-sided" ang prosecution sa impeachment proceedings.

Kahit palagi siyang inaaway ni Pia, Risa still chose to show her respect.
